

**A** t **GERARD** we are planning to pack A whole lot of fun (*and learning!*) into their Summer Days...

**Pick a Session, or pick two, and we will pack their days for you!**

**Session One: JOURNEY AROUND THE WORLD June 5th-16th**

Summer vacation's should include a BIG journey and we have one planned! With music, arts, crafts, cultural games and stories, plus regional foods, this camp will have them believing they traveled farther, *faster!*

**Session Two: SAFARI ADVENTURES JULY 10th-21st** Into the jungles we go,

**COME ALONG!**

following the big cats and the elephants... We will learn about habitats, make crafts indigenous to the areas we visit (virtually of course), and learn about rhythm instruments and the beats we can make, *that make us move!* This session will include a jungle festival day, *with making our own Lion King movie as a highlight!*
